

# GLOW HERBALS VS ARTISTRY STUDIO SKIN CARE

## Glow Herbals Skin Care Range The New Formulated and Rebranded Glow.

If we reflect on our daily life routine - we experience a lot of challenges, stress pressures of modern life and we all lead busy lives and this reflects on our skin. We are also exposed to external factors like pollution and this results in our skin looking dull, radiance is lost and we also have a loss of moisture. We still want to look good after chasing our goals - DON'T WE? Why change your lifestyle and trying to achieve those goals - Time to change your ATTITUDE and to keep our radiance we need to preserve our Glow. This is where Glow Herbals comes as a solution ensuring you don't have to compromise anything. Your radiant skin will accompany you with your everyday road to success. This range also has amazing ingredient story.

## Glow SKIN CARE RANGE

### Glow FACE WASH

- It has extracts from Lotus root that helps to provide bright and even toned skin.
- Vitamin A & E helps to keep your skin youthful and radiant.
- \*Lumiskin™ contains a brightening complex. It helps to reduce the appearance of dark spots and blemishes
- Lotus Japonicus Symbiosome Extract – helps keep skin looking brighter and even-toned.

## Glow HERBALS

### Glow Herbals FACE WASH KEY INGREDIENT - PAPAIN ENZYME

- 100% soap free formula, hence mild on skin
- Evens skin tone and gives it a visibly glow with Lumiskin™
- Cleanses skin with the power of Herbal Blend
- Papain exhibits natural exfoliation properties that keeps the skin clean, soft and supple. Microcapsules containing papain when rubbed onto the skin releases Papain

### Glow DAY CREAM SPF 15
