### TISSUE OIL

**Glow Herbals Tissue Oil** 200ml is a non-greasy easily absorbed oil that consists of a blend of various oils that helps to replenish the skin's natural oils and helps moisturise skin.

With regular application it hydrates the skin. This tissue oil also helps with the skin's elasticity, leaving skin feeling supple and soft.

## The Tissue Oil contains:

**AVOCADO OIL** for softer and supple skin.

**OLIVE OIL** to condition and soothe dry skin.

**VITAMIN E & A**, antioxidant for skin conditioning and protection.

**SWEET ALMOND OIL** – emollient for skin moisture balance.

**SOYABEAN OIL** - Rich in vitamin E and its hydrating property to help the skin retain moisture.

## INCA INCHI OIL BENEFITS: SOFT and SUPPLE

- Restores skin elasticity keeping it firm, supple and smooth.
- Has emollient and soothing properties to restore skin's natural oils and hydration.

## ARGAN OIL BENEFITS:

- Rejuvenate and Protect Skin
- Revitalizes skin's natural glow.
- Evens skin tone .
- Protect and maintain the skin barrier from environmental factors.

## Further benefits include:

- **Hydrate** – Long lasting hydration.
- **Moisturise** – Lock & seal in moisture to sustain the skin's natural moisture barrier and skin elasticity.
- **Protect** – protect and maintain the skin barrier from environmental factors.
- **Repair** – Plumps up the skin and smooth out the appearance of enlarged pores and fine lines skin elasticity
